

Mike Marsh

Original mastering engineer at The Exchange, London and now at The Exchange Mike Marsh Mastering, Devon.

Mike joined The Exchange in 1986 where he was actively involved in the construction of the studios. Since the closure of the original studios in Camden Town at the end of 2014, Mike relocated an exact replica of that studio back to his roots in Devon. Can be often found credited as "Mike'sTM - The Exchange" in the run-out grooves of vinyl records.
